ROBOTIC MANNEQUINS

REDEFINE RETAIL WITH MOTION

Moving and Speaking Display Systems

Turn everyday displays into attention-worthy retail experiences.

ATTRACT

Give passing shoppers a reason to stop.

ENGAGE

Bring apparel and brand stories to life.

INSPIRE

Create memorable moments that support sales.

Make your storefront a destination.

Illustrative retail display concept. Speaking features subject to model and configuration confirmation.

MB Factories

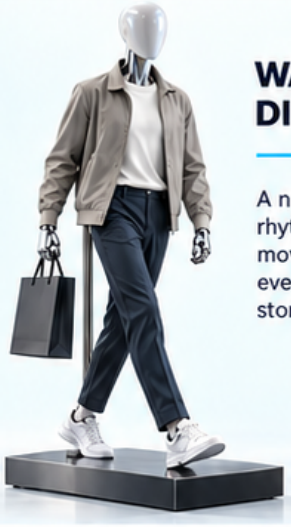

BRING YOUR MERCHANDISE TO LIFE.

Robotic mannequins for retail displays that move people.

RUNNING DISPLAYS

Lifelike running motion brings activewear and sports collections into focus.

WALKING DISPLAYS

A natural walking rhythm adds movement to everyday apparel stories.

GREETING DISPLAYS

Waving gestures, head movement and waist rotation create a welcoming focal point.

HALF MECHA

Metallic styling and illuminated legs give displays a futuristic edge.

TWISTING DISPLAYS

Head and waist movement brings new dimension to fashion presentation.

LUMINOUS LEG DISPLAYS

Spotlight shoes and trousers with running motion and customizable waist lighting.

DESIGNED AROUND YOUR BRAND.

Explore custom colors, electroplated finishes and selected shape modifications to complement your store concept.

Fashion & apparel | Sportswear & footwear | Department stores
Pop-up shops | Shopping centers | Brand exhibitions

Make your next display a destination.

Illustrative display concepts. Appearance and motion vary by model. Speaking options require model and configuration confirmation.
